Eastham Cottage. Two kitchens for the price of one.

Cottage, a new concept in flat-pack kitchens, has reversible panels which enable you to change the look of your kitchen in minutes.

And as far as quality is concerned, you won't find better value for money anywhere.

Solid oak door frames and drawer fronts, attractive brassed handles, and a selection of distinctive wall units, colours and textures all contribute to its traditional look.

Call in at your local kitchen furniture stockist or write to us at the address below for further information on Eastham kitchens.

1. JIM MCDONOUGH, Goalkeeper who began his career with Rotherham United before moving to Bolton Wanderers and then moved on to Everton before returning to Burndon Park. Republic of Ireland International.
2. STEVE WHITEWORTH, Former captain of Leicester City. English International who joined Bolton from Sunderland. Easily reconisable with his ginger hair.
3. PAUL JONES, Has been with Bolton for several seasons now and played in the team in their first division days of not too long ago.
4. MIKE DOYLE, Former Manchester City star who moved to Stoke City six years ago where he was a part of their side that gained promotion to the first division and hopes to do the same with Bolton. 5. GERRY McELAINNY, defender who just missed out on a place in Northern Ireland's twenty-two for Spain for the World Cup. Broke through into the team towards the end of last season.
6. TONY HENRY, defender or midfield. Joined Bolton last season from Manchester City where he came on as a sub against Tottenham Hotspur in the first match of the 1981 cup final at Wembley, he replaced Tommy Hutchinson in extra time. Rather unlucky to lose his place to Dennis Tuart for the replay.
7. MIKE BENNETT, Broke into the first team towards the end of last season and now has an early chance to show new manager John McGovern what he can do.
8. CHRIS THOMPSON, been in and out of the team for the past season and a half.
